The future of our industry lies in the hands of the youth just starting out on their journey into hospitality. The Springboard Charity co-ordinate visits to Hotelympia for student groups from around the country taking part in a scheduled program that includes stand visits to learn about the industry.

Skills Theatre

Sitting alongside Careers in Hospitality is the new **Skills Theatre**. Students and apprentices will compete in back to back classes showcasing a range of skills from filleting, decoration & veg prep. This is a new competition for Salon Culinaire and also forms the start of the annual selection process for candidates starting their **UK Skills** journey.
